

Smoking in public places

I will soon have a free vote on whether to extend the proposed ban on smoking in public places. Please let me know your view:

- I support a total ban on smoking in public
- I support a partial ban on smoking in public
- I don't believe in any additional restrictions on smoking

I am:

- A smoker
- Non-smoker
- Someone who has never smoked
- Someone who occasionally smokes

Comments

Are there any comments you would like to make about health policy?
